

Fellowship and Fundraising - **we need your help**

It has been an exciting year. We have shared worship and fellowship in our four centres: Courcelles, Champagne Mouton, Cognac and Chef Boutonne. Our congregations are sometimes small but always enthusiastic. There is a readiness to receive God's word and to share in His blessings and there has been much to share:

Games afternoons, a Christmas wreath-making workshop, beetle drives, concerts and afternoon teas, Sing to God, bring and share lunches after services prove especially popular in the summer months. (Monthly

Sunday lunches at a local restaurant have also become part of the Chef-Boutonne routine) “Advent Antics” in Cognac, our annual Christmas fund-raising event.

All these events have sought not only to bring the Chaplaincy family together but also to welcome guests and new friends and to raise money as part of our Fundraising Campaign.

Would you like to organise an event? Do you have an idea? Do you have some time to offer?

The Council welcomes fellowship and fundraising events from all Chaplaincy members.

All you need to do is come up with an idea.....e mail/phone or speak to any Council member to inform them of your idea (all contact details on the website: churchinfrance.com.) and then get started.

Below are some guidelines to help you:

What would you like to organise?

Where?

What **resources** do you think you will need (people, building, equipment, facilities etc).

Who do you need to contact?

When would you like it to happen?

Does it need **publicising** on the website, our Facebook page?

Do you need guidance from the **Safeguarding** Officer?

We hope that you will feel inspired to get organising....

Thank you.
