What, and why ?

At the heart of our mission as musicians lies a deep-seated belief in the power of music to transcend boundaries and bring people together. We strongly believe that sharing music with everyone, everywhere, and making culture accessible to all is a fundamental aspect of our role as musicians.

We are passionate about lyrical music because we love it and are inspired by its vast and diverse repertoire. The world of lyrical music is boundless, offering an endless array of pieces that touch the soul and elevate the spirit. This passion drives us to continually explore and perform a variety of works, striving to bring the beauty of this art form to as many people as possible.

In our efforts to create meaningful and engaging experiences, we have developed a special program featuring as many duets as possible. The synergy and harmony found in duets exemplify the collaborative nature of music and the connection it fosters between performers and audiences.

As Christians, our faith plays a significant role in our musical journey. We aim to share the good news through our music, selecting pieces that reflect our beliefs and the beauty of the God we worship. This includes a substantial selection of sacred music and poetic lyrics that resonate with our spiritual message and convey the profound beauty and grace of our faith.

Our program is designed to inspire, uplift, and connect, bringing the richness of lyrical music to diverse audiences and making a positive impact through the universal language of music. We invite you to join us on this journey, to experience the joy and inspiration that comes from sharing music with the world.

When ? Would you welcome us the 1st of August ?

Noël and Léontine began their musical journey in Rouillé in 2019. They returned to perform concerts in 2021 and 2022, each time receiving a warm and enthusiastic reception from the audience.

Both Noël and Léontine have deep connections to the region. Léontine's family estate is located in Courgé, and Noël has a secondary home near Pamproux. These personal ties make the region particularly dear to their hearts, fueling their passion for bringing music to the local communities.

This year, they are thrilled to be joined by Lorraine, a soprano with a beautiful voice and a special passion for sacred music, therefor building a unique connection with Noël and Léontine. Her presence has brought a new dimension to their performances. Her involvement in the concert will undoubtedly add diversity and beauty, enhancing the overall experience for the audience.

This year, their trio will perform in Rouillé the 30st of July 2024 and they plan to continue this tradition in the coming years. Whether it's through returning performances or new opportunities, Noël, Léontine, and Lorraine are dedicated to enriching the cultural landscape of the area.

If you miss their performance this time, rest assured that there will be future opportunities to experience their music. They look forward to more concerts in the region and hope to see you next year!
